THE FIRE AND ICE ROUND

Will require the teams to examine their strengths and weaknesses to determine which team members are the best suited for the tasks. Half of the team will fire off 3 games of Super Shots while the other half will try to freeze out their opponents with 3 games of Ice Ball!

POWER PLAY POINT CHALLENGE

Sends the team on a quest. The players will have to discover the way to gain the most points for the best value as they explore the Arcade. Communication between team members will be key as they enlighten their teammates to the biggest rewards, while keeping the other teams in the dark!

STRIKE FORCE LASER TAG

A fast paced game of strategy that will get the players' blood pumping! They'll maneuver their way through the futuristic arena filled with glow-in-the-dark pillars, arches, passageways and swirling fog as they attempt to overtake the opposing team's base station. Exhilarating sound tracks enhance the experience. Perfect for those with a competitive spirit and a natural fit for corporate and team building events.
